PROFILE

A BSCS graduate with hands-on experience in software development, seeking a full-time position to contribute to impactful projects. I have a proven track record of delivering tangible results, including implementing responsive websites, enhancing brand visibility, and streamlining communication channels.

PROFESSIONAL EXPERIENCE

Mathematics Specialist for AI Training (Freelance), Outlier AI
October 2024 – March 2025

- Contributed to training and improving AI generative models, evaluating the quality of mathematical responses and ensuring factual accuracy and relevance across domain-specific queries.

Data Visualization Specialist, Tridaz Logistics Services, Parañaque
July 2024 – September 2024

- Designed and developed interactive data visualizations, enabling management to make data-driven decisions that improved operational efficiency.
- Streamlined data reporting processes by integrating real-time dashboards, reducing report generation time.

Junior Frontend Developer, Intelliseven Solutions Inc., Quezon City
March 2024 – April 2024

- Played a pivotal role in developing innovative web solutions, leveraging expertise in technologies such as Node.js, Nuxt 3, and Tailwind CSS to enhance user experience and functionality.
- Successfully completed projects such as the development of the Datesfruit Admin system, showcasing adaptability, creativity, and a commitment to excellence.

Junior Web Developer, Tridaz Logistics Services, Parañaque
June 2023 – August 2023

- Developed and maintained logistics management web applications to optimize business operations, resulting in improved efficiency and data accessibility.
- Worked on full-stack development, utilizing technologies like HTML, CSS, JavaScript, and SQL to ensure responsive and user-friendly interfaces.

EDUCATION

Bachelor of Science in Computer Science (GWA: 1.27)
Camarines Sur Polytechnic Colleges
San Miguel, Nabua, Camarines Sur
August 2020 – June 2024
